

ESVCN

We are pleased to announce the Early Career Workshop for Animal Nutrition Scientists

Applications now open

After the success of the ESVCN workshop in 2017, we want to share this fantastic opportunity with even more enthusiastic scientists.

Sessions will focus on **supporting you to grow your career**, such as how to obtain grant funding, work with industry, supervise others and much more.

The programme will be announced soon.

Find out what happened in 2017:
